

Patient Health Inquiry Form

Objective: *The following questions are designed to help me better understand how to approach the treatment of your condition and the thoughts and direction you have surrounding your current and future health.*

In your personal opinion, what do you consider "good health" to be?

Why did you choose Acupuncture Treatment for this condition?

Where have you sought treatment in the past for your current condition you are seeking treatment for?

How long did you allow yourself to receive treatment for your current condition?

What was the total cost of past treatment for this condition? (eg. MD's, Chiropractic, Physical Therapy, Surgery etc.)

- _____ \$0-100
- _____ \$100-500
- _____ \$500-1000
- _____ \$1000-1500
- _____ \$1500 or greater

Considering the amount of time you have experienced this condition, how long do you expect treatment to take in order to yield results?

Essential Circles of Life
Acupuncture and Herbal Medicine

Do you expect changes to occur after each treatment?

What are your long-term goals with treatment? What are your short-term goals with treatment?

What responsibility are **You** willing to take in order to help your body heal itself? Are you willing to make lifestyle changes, i.e. diet, exercise, relaxation techniques? If so, what? –Please be realistic with what you are willing to change.
